

Appointment & Late Arrival Policy

New Patients: Check-in is 30 minutes prior to scheduled appointment time. Patients who check-in less than 10 minutes prior their appointment time and who have not completed their "New Patient Packet" will be asked to reschedule.

Established Patients: Check-in is 15 minutes prior to scheduled appointment time. If a Patient is more than 10 minutes late for an appointment, we will ask the provider if they have the time to fit you in, if that is not possible, you will be asked to reschedule your appointment. In every case we will do what we can to accommodate you however it is not always possible.

All Patients: If you are running late, please call the office. If you miss your scheduled appointment time without calling ahead, you will be billed a cancellation fee.
